

4TH ADVANCED SCHOOL ON EXOPLANETARY SCIENCE

Astrophysics of Transiting Exoplanets

22 – 26 May 2023

Vietri sul Mare, Italy

Info: ases4.web.roma2.infn.it

Lecturers:

- A. Bonomo, INAF – OATo
- C. Dressing, University of California
- E. Ford, Pennsylvania State University
- L. Kreidberg, MPA
- J. Owen, Imperial College London

Organizers:

- K. Biazzo, INAF – OAR
- V. Bozza, University of Salerno
- L. Mancini, University of Rome 2
- A. Sozzetti, INAF – OATo

Topics:

- Statistics of transiting exoplanets
- Accurate determination of radii and masses
- Multitransiting systems
- Exoplanet atmospheres
- Atmospheric escape

Registration Deadline: 3 April 2023

Registration-fee waivers available
